Arkansas University and College Art Departments: Paid Summer Art Internship Available

The Arkansas Committee of the National Museum of Women in the Arts (ACNMWA) annual Internship is awarded to a female student attending an Arkansas university or college whose program of study is applicable to the advancement of the arts. The internship provides students majoring in the fine arts, art history or interested in arts administration an opportunity to learn about and make contributions to the cultural life of Arkansas. The recipient receives a \$2,000 stipend as pay for the 3 months of summer. The hosting institution receives a paid intern for the summer plus a \$500 stipend for expenses.

The applicant is responsible for arranging an internship with an Arkansas arts center, museum, or nonprofit arts council or agency that fits her program of study goals, skills and living arrangements. **Therefore, your department may be asked by a student to assist with an application for this opportunity. This can work in reverse as well: you might know a student who could benefit from a paid internship to gain experience in her chosen field to whom you would recommend the ACNMWA program.**

Female students, 18 years of age and older, studying fine arts, art history, or arts administration are encouraged to apply. The applicant must have been a resident of Arkansas for at least one year. After completion of the internship, she will be responsible for giving a short power point presentation at one of the ACNMWA quarterly Little Rock meetings.

Student Application Requirements:

1. Contact info: Name, e-mail address, cell #, permanent mail address
2. Age, AR resident since date, SS#
